## ■ ABOUT US

With so many options available to companies and candidates, the recruitment sector is incredibly competitive. To succeed, not only is it vital to continuously excel in the delivery of services, it is also critical to be different. These are some of the qualities which set Pegbox apart:

### – PERSONAL APPROACH

Pegbox's approach is to put candidate and client fulfilment in the same bracket because real success is not providing a quick fix, but instead a long-term solution.

### – INTERNATIONAL REACH

With a track record of supporting clients, meet their development plans, deadlines and complete projects in countries such as the UK, France, Italy, Germany, Pegbox continues to explore opportunities globally.

### – KEY PRINCIPLES

Compliance is fundamental to any business but Pegbox believes in far more. It remains true to its key principles in every aspect: integrity, loyalty, flexibility and accountability.

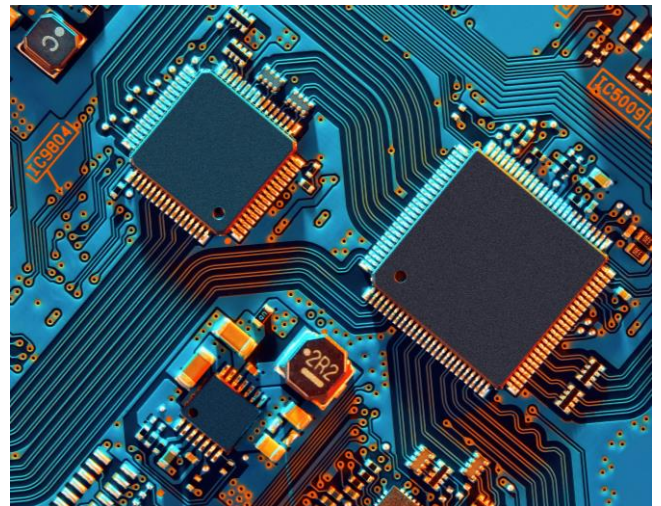

## ■ TESTIMONIAL

*"Pegbox is supportive of its contractors and clients needs ensuring that they get the best."*

*"I would highly recommend him to my clients when answering any of their recruitment needs"*

*Systems Applications & Integrations*

*SC Senior Project Manager*
