## ■ ABOUT US

With so many options available to companies and candidates, the recruitment sector is incredibly competitive. To succeed, not only is it vital to continuously excel in the delivery of services, it is also critical to be different. These are some of the qualities which set Pegbox apart:

### – PERSONAL APPROACH

Pegbox's approach is to put candidate and client fulfilment in the same bracket because real success is not providing a quick fix, but instead a long-term solution.

### – INTERNATIONAL REACH

With a track record of supporting clients, meet their development plans, deadlines and complete projects in countries such as the UK, France, Italy, Germany, Pegbox continues to explore opportunities globally.

### – KEY PRINCIPLES

Compliance is fundamental to any business, but Pegbox believes in far more. It remains true to its key principles in every aspect: integrity, loyalty, flexibility and accountability.

## ■ TESTIMONIAL

*'I was involved in start-up and ramp up of a new production site for the Manufacture and Installation of Aircraft Interiors.'*

*It was made possible because the people supplied to us. At the height of the programme, we had over 120 contractors on site, predominantly Mechanical & Electrical Technicians and a small number of White-Collar staff.'*
